Commission Agenda Action Items:

1) Agenda item (description here) Recommendation In Support _____ In Opposition _____ See comment below X_____

We are in support of all positions currently being taken by the Commission.

We do, however, want to greatly encourage the Commission to Oppose AB286. This bill is opposed by all law enforcement agencies in the state and would allow law abiding citizens to be made felons when simply trying to secure their firearms and forcing people to leave firearms in vehicles. This bill, also leaves the possibility for landlords or storage businesses to put citizens at risk of prosecution.

We do Support SB125 but would like to see more clarification.
