Other comments, including a dissenting viewpoint (different than the majority) or issue brought up during discussion:

**In a split vote (6-1) vote, the Clark CABMW recommends the continued use of hounds.**

**The dissenting vote was because the board member does not support bear hunting or the use of hounds.**

**2) Draft Fiscal Year 2022 Predation Management Plan.**

**Recommendation**

In Support   X   In Opposition \_\_\_\_\_ See comment below   X  

Other comments, including a dissenting viewpoint (different than the majority) or issue brought up during discussion:

**In a split vote (6-1) vote, the Clark CABMW recommends supporting the Draft 2022 Predation Management Plan as presented with the following recommendations.**

- 1) The Clark CABMW recommends using the public to help identify lion predation sites for project 37**
- 2) What is administrate cost for managing this program?**

**Dissenting view is because the board member disagrees with any mountain lion removal, and with all Pinion and Juniper removal projects in the Predation Management Plan.**

**New action recommendation:**

**In a split vote (5-1-1) vote, Clark CABMW supports the proposal by Washoe CABMW to evaluate starting a statewide bounty program (Reference to Project 38 of the 2022 Predation Management Plan). We do recommend that NDOW prepare a presentation on this possible bounty program highlighting recent research/data from NDOW biologists about the effects of hunting pressure on coyote reproduction rates. Also the CABMW would like to know if there is statistical support to back up the anecdotal claims that other coyote bounty programs (like Utah's) have resulted in increased mule deer populations.**

**3) Commission Regulation 21-03, 2021-2022 and 2022-2023 Big Game Seasons.**

**Recommendation**
