WELCOME TO AN ELKO COUNTY BOARD OR COMMISSION MEETING!

We are pleased you are interested in a meeting of one of Elko County's Boards or Commissions. Below is some basic information about our meetings and procedures for you to participate in your government.

AGENDAS

The agenda is available on the Elko County website at www.elkocountynv.net. Hard copies are made available at the meeting, upon request at the County Manager's Office or posted as per NRS 241. Meetings are broadcast live from our website, under the Meetings tab on the home page of the website and then under Agendas, Videos, etc. You can also click the Watch Our Meetings tab on the right side of the home page. Videos of the meeting are available within 24 hours of the end of the meeting. Minutes, when finalized and approved by the Board/Commission, are also posted to that page.

PUBLIC COMMENT

The public's participation in our meetings is valued and appreciated. The Board/Commission can only take action on items that are listed on an agenda properly posted prior to the meeting. During Comments by the General Public, speakers may address matters not listed on the agenda. The Open Meeting Law does not expressly prohibit responses to public comment by the Commissioners, but no deliberation on a matter can be considered without notice to the public. Public comment will also be called for on all agenda items marked For Possible Action.

If you are planning to speak during the meeting, please sign the sign-in-sheet at the back of the meeting room. This helps our recording clerk get the correct spelling of your name. When comments are called for, please approach the podium and state your name and who you represent.

If submitting comments or information on an agenda item, please submit to the County Manager's Office as soon as possible in order to provide opportunity for Board/Commission members to review and to avoid possible delays in a decision if not all information is presented previous to the start of a meeting. If information is presented at the meeting, you need to provide at least 10 copies, making sure to submit a copy to the recording secretary for the official public record. All information submitted becomes part of the public record and is added to the backup information for that agenda item on our website with 24 hours of the adjournment of the meeting.

Another avenue for making comments on agenda items, especially if you can't make a meeting, is our e-Comment system. If you open the agenda under the process described above, you will find a link by the agenda called e-Comment. Click on the link and follow the directions to register to comment and you are set to comment on specific agenda items. Please note that the e-comment period for a specific agenda closes 24 hours before the start of the meeting to allow those comments to be transmitted to our Board/Commission members and recording staff. Those reports are also uploaded to our agenda on the website.

CONSENT AGENDA

Items listed under the Consent Agenda are considered to be routine in nature and are normally approved by one motion without extensive discussion. If a Board/Commission member wishes to comment or discuss a particular item, that item can be removed from the consent agenda and considered as a separate action during the meeting.
