

Get Outside BINGO

Starting September 17th, the Nevada Department of Wildlife (NDOW) will be kicking off its first annual Get Outside Bingo Game! To play all you have to do is complete the outside activity that is called out for that day and continue to do so until you get a BINGO. We will post the activity that has been selected early each morning to all our social media accounts. Prizes will be distributed to the top 17 finishers!

17 TAKE

We're going to use the honor system when it comes to declaring the winner(s) BUT we highly recommend that you take pictures to track your progress. Follow us on Instagram, tag us, and use #GetOutsideBINGO and #Take17 to show everyone how much fun you're having outside playing Get Outside BINGO!
